London; Associated Newspapers Ltd.; 1934.

*Dicken's wrote this work for his children between 1846 and 1849 he forbade publication during his lifetime and requested his sister-in-law, Georgina Hogarth to make sure that the family would never hand the manuscript or a copy of it to anyone. On the death of Georgina Hogarth in 1917 the manuscript came into the possession of Sir Henry Fielding, Dickens's last surviving son. When Sir Henry Fielding died in 1933 his will provided that, if the majority of his family were in favour of publication, that the work should be given to the world. By majority vote, Sir Henry's widow and children decided it should be published. The work was first published in 1934 in the United Kingdom by Associated Newspapers Ltd. and in United States by Simon & Schuster. [Click here to Order](#)*

London; oxford University Press; 1936.

*Mr. Eisdell left Oxford in 1882 and took passage for Australia in a sailing ship. After a long, exciting voyage he landed in Melbourne, without any plans for the future. The Dean of Melbourne appointed him as a lay reader in the Gippsland forest, where he had a rough and ready existence. Later he was ordained vicar of Riverina, an enormous district that had to be covered in a buggy or on horseback. There he took a lively part in station life. The book gives an excellent picture of Back Country life in the 1880's.* [Click here to Order](#)

*The author argues that many factors other than simply the need to find somewhere to put her surplus convicts influenced Britain's decision to send them to Australia. The 'dumping ground' theory makes little sense either in terms of Britain's past practice of transportation or of the way in which the Administration of William Pitt the Younger usually proceeded.* [Click here to Order](#)

*All editions contain scholarly annotation which provides both the general reader and the student with assistance in the elucidation of the material presented, and offers guidance on the relevance of the material within the context of global development and world history. Volumes are produced in a standard binding, furnished with maps and contemporary illustrations, and are widely acknowledged for their high standard of typographic presentation, admirably complementing their depth of scholarship. The majority concern non-British enterprises and are based on texts in languages other than English. The English translation in which the material is presented is normally a fresh version, but in certain instances might be an earlier rendering.* [Click here to Order](#)

*Lindqvist evokes a shocking history in which young boys were kidnapped to dive for pearls, then whipped and abandoned when the bends ruined them for work; "half-cast" children were taken from their mothers; and natives were misdiagnosed with STDs, put in neck irons, and sent to internment camps on remote islands. At the same time he describes a beautiful and strange land,*

sacred to the native people who had inhabited it for centuries and celebrated in a long tradition of richly symbolic art. [Click here to Order](#)
